With its three-generation history and strong affiliation with the Middle East, J.C.T. Haute Couture Interiors makes its debut at this year's Design Days Dubai. J.C.T. Haute Couture Interiors is a family owned and run company, with a heritage dating back to the prestigious Maison Jansen. J.C.T. Haute Couture Interiors creates unique interiors for international VIPs, hospitality and corporate projects around the world and has completed more than 200 projects in the region, ranging from private palaces for princes and private penthouses for businessmen.

J.C.T. Haute Couture Interiors works closely with French 'Living Heritage' companies that combine tradition and innovation, know-how and creation, heritage and future and and at Design Days Dubai presents Interior Landscape, the nature-inspired artistic work of Aurélia (artist name chosen by co-director of J.C.T, Aurélia Bire).
